Greetings!

On behalf of 1-501 BN, I would like to thank you for the contributions you have made to support our Soldiers and/or the humanitarian aid efforts here in Afghanistan. Your extended charity is a great credit to you, your family, and the community in which you live.

1-501 BN is proud to be serving citizens such as you. For those who contributed to the humanitarian efforts with winter items, we have stored up those items to hand out prior to the cold season. The school supplies have been or will be handed to the teachers of the villages we protect. It is an honor to represent our country by serving the surrounding villages. The 1-501 UMT wants to make sure that you understand that you are a vital part of this great endeavor too. God Bless!

Warmest Regards,
